LEGISLATURE HAS ADJOURNED.

New Kentucky Election Law Is in Governor Beckham's Hands.

Frankfort, Ky., Oct. 22.—The Kentucky Legislature sent the nonpartisan election law passed by it on Saturday to succeed the Gobel law to the Governor to-day and adjourned sine die.

The Democrats and Republicans could not agree on a State Election Commission to fill a vacancy in the house and adjourned without electing any body.

Both houses adopted resolutions Saturday afternoon recommending to name the commission, and they elected Judge Cochran of Mayfield, The Democrat, and Judge J. E. Lewis, chief of the District Court, Centerville, Ia., thought I should state, and a third a dozen different resolutions, but all to no purpose. I sent for a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy, and three doses relieved me entirely. I went to sleep and did not awake for eight hours. On awakening a few hours ago I feel so gratified that the first work I do on going to the office is to write to the manufacturers of the remedy and offer them my grateful thanks and say, "God bless you and the splendid medicine you make."

RAILROAD NEWS FROM ALL POINTS.

Executive Officials of Western Lines Will Meet at the Southern Hotel To-day.

TO DRAW UP PASS AGREEMENT.

More Restrictions Expected Governing Free Transportation—Arkansas Commission—Burlington Merger—Notes.

Executive officials of Western lines, who annually prepare what is known as the "Western Pass Agreement," will meet to-morrow at the Southern Hotel. For several years past efforts have been made to restrict free transportation and limit the issue of annual, time and trip passes. At last year's meeting the line was drawn closer than at any prior time, and to-day it is probable that even more stringent measures will be adopted. It is customary to have district committees appointed, who represent the lines at the leading commercial centers in the West, and these committees are supposed to pass upon the various applications for free transportation that come from outside sources. An executive committee is appointed, consisting of representatives from Chicago, St. Louis, Kansas City, Omaha, St. Paul and St. Joseph. This committee has a general supervision over all free transportation issued by the various companies to others than their own employees.

While it is generally admitted that these "pass agreements" are more honored in the breach than in the observance, it is also apparent that these lines are not without their "spine," as they are becoming fewer and higher every year.

Several officials who will attend the meeting are: President S. M. Peiton of the Chicago and North Western, and R. H. Knott of the Kansas City Southern. During the day they will hold a conference with Vice President and General Chairman of the Union Pacific, and Colonel S. W. Forsythe, C. L. Wellington, the new traffic manager of the Colorado and Southern, and other officials.
